

**Guía Clase Nº16**  
**Trabajo para el hogar**

**Articulación de difonos consonánticos/XL/**

**BL**

• Repite varias veces, lo más rápido que puedas, mientras sigues la flecha con una pelota y encastas:

Diagram illustrating the articulation of the diftong /BL/ using a basketball. The sequence shows a person holding a basketball, moving it up towards a hoop, and then releasing it. The sequence is repeated five times, with the word 'BALD-BALO' written along the path of the ball and 'BLE!' written above the hoop. A vertical dashed box on the right contains five basketball icons.

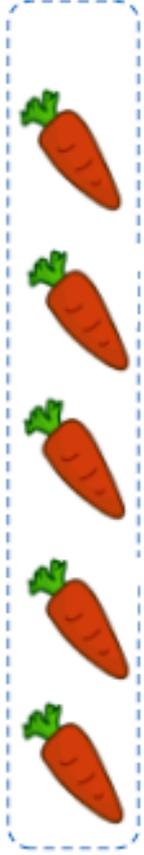

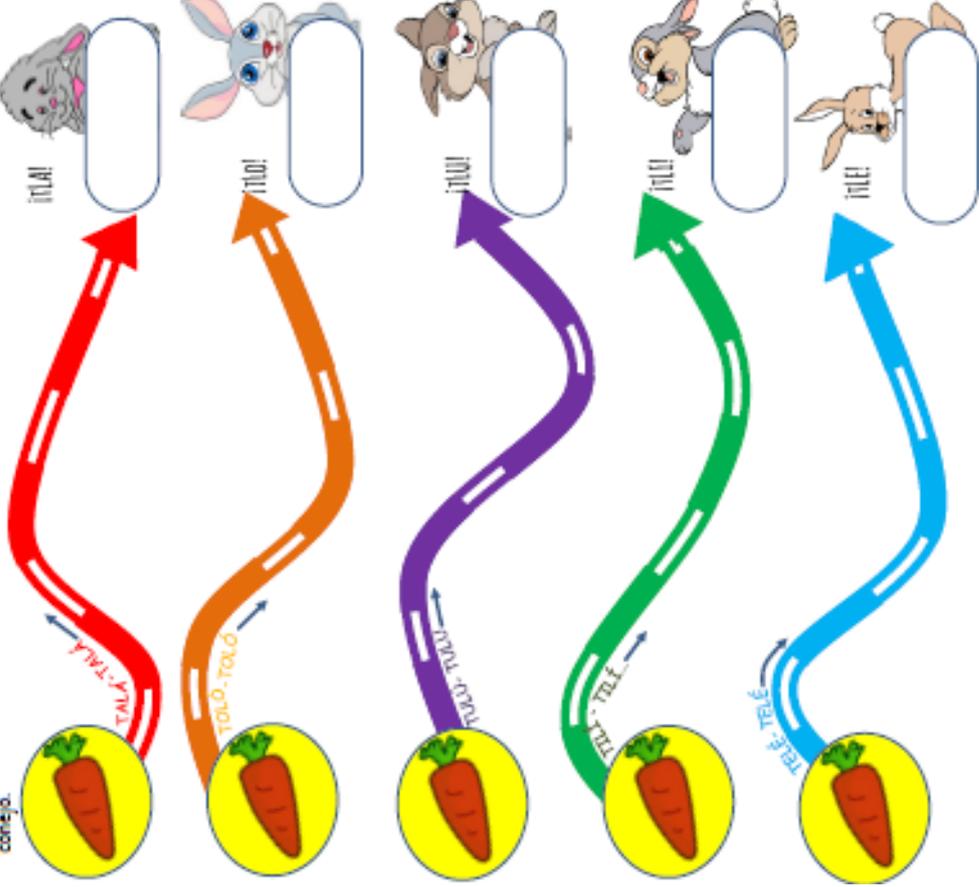

**PL**

• Repite varias veces, lo más rápido que puedas, mientras sigues la flecha con una pelota y anota a un IGOL:

Diagram illustrating the articulation of the diftong /PL/ using a soccer ball. The sequence shows a person holding a soccer ball, moving it up towards a goal, and then releasing it. The sequence is repeated five times, with the word 'PALÓ-POLO' written along the path of the ball and 'PLE!' written above the goal. A vertical dashed box on the right contains five soccer ball icons.

# TL

- Repite varias veces, lo más rápido que puedas, mientras sigues la flecha y llevas más zanahoria con su conejo.

# CL

- Repite varias veces, lo más rápido que puedas, mientras sigues la flecha y ayudas a llevar cada pez a su pecera.

# FL

• Repite varias veces, lo más rápido que puedas, mientras sigues la flecha y ayudas a cada abeja a llegar a su flor.

This section contains five rows of tracing practice for the letter 'FL'. Each row starts with a bone on the left and a dog on the right. A wavy arrow connects them, with the sound 'FL' written along its path. The arrows are colored red, orange, purple, green, and blue from top to bottom. At the end of each row is a dashed box containing five bones. The sound 'FL' is written above each dog.

# GL

• Repite varias veces, lo más rápido que puedas, mientras sigues la flecha y ayudas a cada abeja a llegar a su flor.

This section contains five rows of tracing practice for the letter 'GL'. Each row starts with a bee on the left and a flower on the right. A wavy arrow connects them, with the sound 'GL' written along its path. The arrows are colored red, orange, purple, green, and blue from top to bottom. At the end of each row is a dashed box containing five bees. The sound 'GL' is written above each flower.
